

OGM Mission News

Hello from your mission family at the OGM. Lots of changes happening here at the Outreach Gospel Mission. Our kitchen project came together over the Winter. The separating wall between the dining room and kitchen was moved to allow for a bigger dining room. Now it is time for the floor to get moving. We have chosen the tile we are putting in, and have been collecting funds all winter to be able to place the order by the end of June. We have received \$5150.00 to date, out of \$6000.00, and we have a matching grant for funds over \$4500.00 mark, so we are very close. If you would like to help, please put on your check "TILE FUNDS" in the memo.

Our garden looks pretty lonely as our scarecrow sits in a field by himself.

Lonely Scarecrow.

We are awaiting the repair of our roto-tiller. The garden increased in size from last year. With a little help from our Chickens!

Last year we had more cucumbers than we knew what to do with so this year we look to make many quart's of Gramma Graber's Garlic Dills. My Favorite. One more new thing is that a volunteer from the community finished our Transitional housing room. So now we are able to put OGM graduates up as they transition back into the community.

exists to proclaim the truth of Jesus Christ. Feed the hungry, comfort the homeless, abused, addicted, and point all the people who come to our door to Jesus Christ.

Psalm 68:9 You, O God, sent a plentiful rain, Whereby You confirmed Your inheritance, when it was weary. **10** Your congregation dwelt in it; You, O God, provided from Your goodness for the poor.

Non profits TODAY.

Faith based non profits like us are struggling to stay alive all over America. We know of missionaries having to come home from the field, because their support is dwindling. Other rescue missions have turned into low income housing where they choose to charge their guests to stay, which in turn does not allow them to actually teach the Bible! Things are tight all over America, and when that happens, Faith based non profits like us are the first to feel the squeeze. I don't believe that God brought Deborah and I here all the way from China to close the OGM. Also the Lord keeps sending us folks to take care of.

So as long as there is food in the fridge, and we can keep the lights on, we will endeavor to take care of all who come to our door. We cannot do it alone though. Ultimately it is God who provides for us, but He does that through you, through the community, through the people.

We are the only rescue mission from Coos Bay to the North, to Eureka in the South, that's 100 miles in either direction. What would Brookings be like without the OGM? Our thrift store is the only thrift store in town that blesses folks with furniture, household items, and appliances to those in need. In fact that's what the purpose of our thrift store is. It is part of a ministry to provide items to give to those in need.

We cannot do it all by ourselves though. We can only help others, if you continue to help us.

Be a Blessing as you are Blessed ...

New ways to support the OGM
